OFFICE ORDER

No. IT.55/2015/Pt.-II/54

Dated: Dispur the 18th May, 2022

There are 4672 nos. of offline RoW applications for erecting mobile towers which are pending with District administrations from a period prior to September, 2020, when the online RoW portal for the state was launched.

As reported, almost all of these mobile towers have been erected and are in operation. Further, there are no major reports of any public grievance or excess radiation emission from any of such towers.

As 1030 applications are pending with TSPs for want of insufficient documents, therefore the balance 3642 nos. of RoW applications are deemed approved with immediate effect subject to the condition that the fee payment receipt is produced by the TSPs before the Deputy Commissioners in due course.

Thus, 3642 nos. of RoW applications stand disposed of with this order of "Deemed Approval". Deputy Commissioners may take necessary actions in light of this order.
